Paper Instructions

- This paper will test your child on elements of Non-Verbal Reasoning **ONLY**.
- The paper contains a mixture of the different levels of difficulty of the KSOL online questions, so do not worry if your child cannot answer some of the harder questions.
- Please note this paper contains questions and answers only.
- For step by step explanations on how to approach 11+ questions, try our courses:
www.ksol.co.uk/contents/11plus-preparation.
- Please allow your child **8 minutes** to complete this paper.

rotation
3x3 grids
codes
adding shapes
series
similarities
analogies
hidden shapes
reflection

Child Instructions

- Please complete this exam paper using pencil only.
- Mark all of your answers on the separate answer sheet provided.
- If you cannot answer a question, do not panic, simply move on and return to it later.
- Rub out any errors on your answer sheet. Do not cross them out.
- **Ask an adult to time you for 8 minutes.**
- You must not talk during the test.

Child Details

First name: _____

Surname: _____

D.O.B: _____

Date: _____

Marking Criteria

Total _____

Out of 15

Percentage _____ %

You have 8 minutes to complete this paper.

Codes

To answer these questions you have to work out a code. In the boxes on the left are shapes and the code letters that go with them. The top letters mean something different to the bottom ones. You must decide how the letters go with the shapes. Then find the correct code for the **test shape** from the set of four codes on the right. Mark the letter which goes with your choice on the answer sheet.

1)

TEST SHAPE
